

OUR OFFICE

Welcome to PlastCouture, the practice of Dr. Peggy Wong. We strive to provide you with caring and comprehensive cosmetic evaluations and the most advanced techniques available to resolve your individual aesthetic needs. We look forward to meeting you on your initial visit to our office. At this time, we will help you get acquainted with our services and learn about your particular cosmetic concern.

In addition, we know that every patient is different and has specific needs, and we will always and without question provide you with personal, individualized attention. Plastic surgeon Doctor Wong will allow at least one hour for new consultations and you will not leave until every question is answered. We welcome you to the full service Plastic Surgery practice of Dr. Peggy Wong.

We are looking forward to meeting you at PlastCouture!
